Arthur Chilingarov

Chairman of the Organizing Committee of the International Forum «Arctic: Today and the Future», President, Russian Association of Polar Explorers, Special Representative to the President of the Russian Federation on International Cooperation in the Arctic and Antarctic

«The Forum brings together representatives of government, science, business, and civil society, and has strengthened its status as an authoritative international platform for to discuss the development and exploration of the Arctic region».

Dmitry Medvedev

Deputy Chairman of the Security Council of the Russian Federation, Chairman of the Interdepartmental Commission of the Security Council of the Russian Federation on ensuring the national interests of the Russian Federation in the Arctic

«This authoritative discussion platform brings together everyone who sees the Arctic as a territory of peace and cooperation, considers it a zone of their personal responsibility. The issues that have been brought up for discussion are of particular importance for Russia. Expanding our presence in the Arctic zone, strengthening security are priority areas of state policy».

Yury Trutnev

Deputy Prime Minister of the Russian Federation and Presidential Plenipotentiary Envoy to the Far Eastern Federal District

«The Government of the Russian Federation will make every possible effort to preserve, study, and carefully develop the Arctic. The International Forum «Arctic: Today and the Future» is dedicated to these goals».

Viacheslav Volodin

Chairman of the State Duma of the Federal Assembly of the Russian Federation of the seventh convocation

«The forum's agenda includes issues of socioeconomic development and security of the Arctic zone, the effective use of the Northern Sea Route, nature conservation, and the strengthening of cooperation among the subarctic states».
